

2 DAYS IN THE RESORT OF OLOS

Lapland Melody

For those with very little time at their disposal Our Lapland Melody tour is never the less of sufficient duration to provide that special feel of Lapland. The aim is to include the essential ingredients of our longer tours, yet naturally in a more confined time capsule. During your visit you will have the opportunity to skidoo, enjoy husky, reindeer rides and naturally meet the one and only Santa Claus.

Festive Christmas Offers

FREE SPECIAL SOUVENIRS

On leaving Lapland you will receive a selection of souvenir licences to commemorate your visit to Lapland. These will include an Arctic Circle crossing certificate and licences covering your activities with reindeers, huskies and snowmobiles.

QUESTIONS YOU MIGHT ASK

Isn't it going to be very cold outside for hours and what about toilet facilities? Indeed given the lack of toilet facilities and Arctic weather conditions on the face of it, this could be a problem. In your interest therefore we transfer clients between various activity centres by bus, duration approximately 20 minutes between locations. As buses are heated and provide toilet facilities one can easily warm up and you do not have to fear using poor outdoor toilet facilities.

"It would be impossible to cover our appreciation of the way we were looked after in Lapland, I can only say that nothing more could have been done to ensure that our grand children and we had the experience of a lifetime"
Leslie Webb
