

5 DAYS IN THE RESORT OF OLOS

Christmas Celebration Tour

When one dreams of Christmas, the Victorian Christmas Cards spring to mind. Snowy pastures, logs by the fireside, Yuletide carollers, Santa Claus and goodwill to all men. And what a pretty picture it is too!! Yes of course Father Christmas comes to visit, the family are happier and the spirit of Christmas fills the air but many magical elements are missing. Where better than Santa Claus's own homeland to have that magical Christmas we all dream of. Here we find reindeer sleighs dashing through the snow, snowmobiles traversing the tundra and huskies racing in the distance There's Santa too and it is only here that you can receive your present on Christmas day from the great man himself.

QUESTIONS YOU MIGHT ASK

Isn't it going to be very cold outside for hours and what about toilet facilities? Given the Arctic weather conditions and lack of toilet facilities this could be a problem. In your interest, we transfer clients between various activity centres (skidoos, reindeers, huskies etc.) by coach, duration approximately 20 minutes. Coaches are heated and provide toilet facilities so one can easily warm up, and you do not have to fear using poor outdoor toilet facilities.

TOUR DETAILS

Day 1: Christmas songs ring out, stores and homes are garlanded, Christmas is in the air. Even the airports have that festive feeling as it comes to pass that we depart by air for Lapland deep in the Lappish Fells and Olos where we are to celebrate our Christmas. Accommodation is provided in hotel rooms, apartments, bungalows or cabins (see page 7) in accordance with your wishes with welcome dinner provided in the restaurant.

Day 2: CHRISTMAS EVE The eve of Christmas has arrived. Following a fortifying Finnish breakfast we learn the basics of Arctic transportation. The husky dogs await, the reindeer rides so appropriate and the snowmobiling super fun. Lunch will be taken at an outside setting. The true spirit of Christmas prevails and in this winter wonderland setting it is easy to appreciate the peace and tranquillity of the area. This evening enjoy a traditional Finnish Christmas buffet.

Day 3: CHRISTMAS DAY After a hearty breakfast we set out on our search for Santa Claus. This will be a unique chance for children to receive a present and meet Santa Claus on Christmas day, the very day by tradition that he delivers gifts to all homes throughout the land. Once again huskies, reindeers and snowmobiles will be used and an outside lunch provided at an appropriate location. Tonight's buffet will feature Irish favourites including Mince Pies, Christmas cake and Christmas Pudding.

Day 4: ST STEPHENS DAY Following breakfast there is the opportunity to participate in one of our relaxing and fun competitions undertaken at an outside centre. You will have the chance to try your hand at skidoo slalom tests where accuracy is far more important than speed or to enjoy the more simple activities like tobogganing or other mini ice based activities. Alternatively if you wish to go skiing this will be arranged on your behalf. Enjoy tonight's farewell dinner.

Day 5: Alas, the day of departure beckons. We will be sad to bid farewell to this magic wonderland. This morning prior to lunch you may choose to avail of the simple pleasures of tobogganing, snowball fights or cross country or slalom skiing. Lunch is provided at your hotel, with afternoon transfer back to Kittila or Enontekio and your return flight to Ireland.
